PRODUCT DATA

Finished product description:

Batch or continuous blend?

Total quantity	lbs	gal	Max system pressure	psi
Flow rate	gpm		Batch process time	min
Process temp	F		Does end product foam?	
Max temp	F		Flow properties/similar to:	
Density	lbs/gal		Max viscosity	cP at F

Description	Quantity lbs or gal	Density lbs/ft ³	Viscosity cP	Soluble yes/no
Base medium				
Ingredient 1				
Ingredient 2				
Ingredient 3				
Ingredient 4				
Ingredient 5				
Ingredient 6				
Electrical requirement description				
Voltage/phase/Hz		Enclosure
